

**REMARKS**

Claims 1-8 were pending. Claims were amended to remove multiple dependencies and to correct grammatical confusion introduced with the translation of the document. These amendments are submitted for the purpose of reducing claims fees and conforming to U.S. Patent practice, and are not related to any issues of patentability. Accordingly, claims 1-8 will remain pending upon entry of the instant amendment. No new matter has been added. Applicants reserve the option to further prosecute the same or similar claims in the present or another patent application.

The Examiner is invited to call the undersigned with any questions or comments with regard to the instant application.

Dated: May 31, 2006

Respectfully submitted,

By
